Having received notice of settlement, this contested case is dismissed.

To the extent that there are any extant protective orders and/or sealed documents and evidence, the hearing officer maintains all such matters as protected in accord with the orders until such time as a tribunal with jurisdiction shall vacate or modify the orders.

This case includes documents all or portions of which are, by order(s) of the Hearing Officer, sealed and kept from the public record, until further orders vacate or modify the sealing(s). Unless the parties filing sealed documents (entirely sealed or unredacted versions of redacted documents in the public record) agree upon other handling of that party's sealed documents, the protective orders sealing the documents remain in full force and effect unless modified hereafter by order of a tribunal exercising jurisdiction over the issue. When the contested case file is destroyed in accord with department records retention policies, the sealed documents shall also be destroyed.
