On November 9, 2006, the Hearings Bureau received a stipulation, signed by counsel for all parties, agreeing to vacate the hearing and giving notice that the parties no longer wish to pursue this matter. The hearing examiner has since set two successive deadlines for intervention or other filings opposing dismissal and no such filings have been received by either deadline. Therefore, the complaint of the charging parties and the charges in both cases, are dismissed, as withdrawn.

DATED: January 4, 2007.
