Respondent.)

* * * * *

A unit clarification petition was filed on July 2, 1991. We served the petition on the respondent on July 15, 1991, advising that ARM 24.26.630(4) required a response within twenty days. We further advised that failure to respond could be considered as an admission of facts stated in the petition and waiver of a hearing.

No response having been filed, we now, therefore, order that the unit clarification petition be granted and that the bargaining unit be modified to include the three working foremen.

DATED this 13th day of August, 1991.
