Dear Dr. Bowers:

This is to certify the results of the election to determine the representative for collective bargaining purposes for all eligible non-academic employees of the University of Montana as clarified by the June 7, 1976 Stipulation in the matter of Unit Determination No. 30-74. The election was conducted by the Board of Personnel Appeals on May 24, 1977.

There were 450 employees eligible to vote. Of the 282 valid ballots cast, 209 were cast in favor of the Montana Public Employees Association, Inc. and seventy-three were cast in favor of No Representation. One ballot was challenged by the election judge, no determination was made on the validity of the ballot, and it therefore was not cast.

There being a clear majority, the Board of Personnel Appeals certifies the Montana Public Employees Association, Inc. as the exclusive representative for collective bargaining purposes for all eligible non-academic employees of the University of Montana as clarified by the June 7, 1976 Stipulation in the matter of Unit Determination No. 30-74.

Sincerely,

Robert R. Jensen
