Dear Mr Jensen

The Board of Trustees of Glasgow Public Schools, at their regularly scheduled meeting of March 22, 1978, did vote unanimously to recognize the organization known as School District #1 Maintenance Employees as the exclusive representative of those employees for purposes of collective bargaining.

This recognition follows as a result of the petition for election received by the Board and verbal assurance from the Board of Personnel Appeals that the group meets the requirements of law necessary to represent such a group of employees.

We would appreciate hearing from you, whether or not it is still necessary to conduct an election.

Sincerely

Warren H Gamas
