RE: Election of Teamsters as Representatives of Treasure County
Maintenance Crew

Dear Board:

Please be advised that based upon negotiations with the Teamsters and the Teamster representations to the Board of County Commissioners that they hold signed cards by all members of the Treasure County Maintenance Department, the Treasure County Commissioners agreed to the representation of the unit as previously stipulated to by the parties. The parties negotiated, agreed and hereby stipulate to the voluntary recognition of the Teamsters as the exclusive negotiation representatives of the Treasure County Maintenance employee unit.

The Teamsters and Treasure County Commissioners have agreed to meet and negotiate further on December 18, 1989, at the next regularly scheduled County Commissioner meeting regarding contingent planned layoffs of maintenance personnel and other matters of mutual concern.

DATED this 7th day of December, 1989.
