Subject – Unit Determination No. 5-2010 – IUOE, Local 400 and Buffalo Rapids Board of Control

Dear Mr. Roethle:

I have received notification that the Board of Control has agreed to recognize Operating Engineers Local 400 as the exclusive bargaining agent for certain employees of the Buffalo Rapids Board of Control.

In view of the above there is no need for the Board of Personnel Appeals to conduct the previously scheduled election and the same will be cancelled.

The Board wishes the Board of Control and Operating Engineers all the best in your negotiations and if there is anything we can do to assist or if there are any questions please advise.

Sincerely,

A handwritten signature in black ink, appearing to read "John Andrew".
