RE: Unit Determination 6-2010 – MPEA and DPHHS, Powell County Office of Public Assistance

Dear Ms. Stoll:

Pursuant to stipulation of the parties, the Board of Personnel Appeals polled the proposed bargaining unit in the above matter. Based on that polling, the Board finds that the majority of the proposed unit favor representation by the Montana Public Employees Association. The Board therefore certifies the Montana Public Employees Association as the exclusive bargaining agent for a unit defined as:

“The Montana Department of Public Health and Human Services, Powell County Office of Public Assistance, Social Service Specialist, position #30512, excluding all managerial, supervisory and confidential employees, all those exempted by section 39-31-103 MCA, all other employees.”

Sincerely,

A handwritten signature in black ink, appearing to read "John Andrew".
